Submitted to His Highness

I submit for information, Residency letter No 6623 dated 9th November stating that Mr Robert McCombe, Professor of English Maharaja's College, Mysore is an applicant for employment in the Indian Educational Service and enquiring whether he is considered a suitable candidate for an Inspectorship of Schools and whether the Durbar are likely to raise any serious objection to his appointment should that be decided upon

(2) Mr McCombe is at present employed as Professor of English in the Maharaja's College Mysore and has been drawing Rs 650 from the 29th September 1912

(3) The First Councillor in his note dated 11th November, states that a reply may be given that we shall have no objection to his leaving the State service by the beginning of April next and that we may at once take steps to secure a new Professor The First Councillor also states that Mr McCombe may become a suitable Inspector of Schools if he qualifies

himself by learning the Vernaculars of the Province to which he may be posted

(4) It seems a pity to lose Mr McCombe's services but I agree with the First Councillor in thinking that if an officer really wishes to leave the State service with a view to improve his prospects there is little use in standing in his way Only he must give Government sufficient notice to enable them to arrange to replace his services If approved the Residency will be informed that Government have no objection to his leaving their service after giving at least 5 months' notice Steps will be taken to secure the services of a new Professor to take his place

(5) The Residency have asked for a very early reply in the matter

Yours sincerely
